For information regarding the basis for the potential ineligibility, and the procedure to resolve the matter, contact the Supervisor of Elections at 561-656-6200 no later than thirty (30) days after the published date of this notice.

If the voter denies the accuracy of the information underlying the potential ineligibility, the voter has a right to request a hearing for the purpose of determining eligibility.

If you attempt to vote at an early voting site or your normal election day polling place, you will be required to vote a provisional ballot. If you vote by mail, your ballot will be treated as a provisional ballot. In either case, your ballot may not be counted until a final determination of eligibility is made. If you wish for your ballot to be counted, you must contact the supervisor of elections office within 2 days after the election and present evidence that you are eligible to vote.
